

Camp food is amazing!

# Typical Camp Menu

## Breakfast

A selection of cereals or home made porridge – all served with ice cold milk, a variety of your favourite fresh fruits, deliciously creamy yoghurt.

Followed by camp's freshly baked croissant, pan au chocolat, toasted pancakes with golden syrup, scrumptiously succulent sausages & finally freshly made toast served with your favourite spreads

## Lunch

Deliciously presented Ploughman's lunch

A selection of magnificent cakes

Lip- smackingly juicy fresh fruit

My favourite food day!

## Tea

A selection of Chef's authentic, gently flavoured or spicy chicken curries served on a bed of soft fluffy rice, with crispy home cooked fries (half and half!), popadoms & soft nan breads.

Or Captain Birdseye's very own crispy fish fingers & french fries, followed by Chef's Banana split special.

## Supper

A selection of your favourite cereals, served with ice cold milk
